

Environmental Policy Statement

Coidan Graphite Products Limited is committed to minimise the impact of its activities on the environment.

The key points of its strategy to achieve this are to:

- Minimise waste by evaluating operations and ensuring they are as efficient as possible.
- Actively promote recycling both internally and amongst our customers and suppliers.
- Utilise Local Companies Wherever Possible to Minimize
- Minimise toxic emissions through the selection and use of non-toxic materials wherever possible
- Actively promote products that have a longer life and can be recycled
- Meet or exceed all the environmental legislation that relates to the Company.
